NEWFIELD *Estate*

PETERBOROUGH

LOT 12

12/ MacGillivray Road Peterborough VIC

Tea Tree Developments are excited to bring to the market "New Field Estate", a magnificent 20 lot subdivision in Peterborough.

Blocks range from 760m² through to 1043m² with all blocks being fully serviced underground through the Estates nature strips which allows you full use of your block with no easements. Most blocks offer a rural aspect some may allow for a glimpse of the ocean if you were to build two storey.

With seven blocks already sold, now is your chance to get in early to save disappointment.

Being only 200 meters from the Beach, you have close access to Peterborough's gorgeous walking and cycling track that follows the coast all the way to the "Bay of Martyrs", with many coves to explore and discover along the way.

Peterborough is one of the last unspoilt villages along the Great Ocean Road. Perfectly positioned on the mouth of the Curdies River, nestled between the Port Campbell National Park & the Bay of Islands Coastal Park, Peterborough has absolutely no commercial development. The town offers a General Store, Take Away & Post office as well as the local Hotel and Peterborough House.

Land Size : 1017 sqm
