7 Blair Street Peterborough VIC

'Blair Cottage' is in the heart of old Peterborough, on a huge parcel of land (1,967m²). The light-filled home offers two bedrooms, open plan kitchen living area with wood heating and a split system, plus a rumpus room. The large timber deck provides both excellent shelter and privacy.

When buying real estate, they say 'position, position, position', and Blair Cottage answers that call. The possibilities are endless. You can use it right now as a family retreat, with room to kick a footy in the backyard, or build your dream home. Or you could subdivide (planning permit for subdivision is in place).

Peterborough really feels like beach holidays in the 1970's, with children playing in the sand dunes, swimming, surfing
